

NEW JERSEY YOUTH MINISTRIES

I, _____, youth leader of _____ church have received and approved of a background check for every adult leader attending the 2021 NJ Youth Convention. I recognize that it is the church's responsibility to have each adult worker appropriately background checked. I also recognize that all workers MUST have completed a background check before November 5, 2021, or they will not be permitted to enter Youth Convention. I am prepared to show proof of each individuals background check upon request.

I understand that I have asked the following questions to all attending and have checked their temperature prior to leaving for Youth Convention:

- In the last 14 days, has the attendee or any member of their immediate household traveled internationally or on a cruise ship?
- In the last 14 days, has the attendee been diagnosed with COVID-19 or been in close contact with any person diagnosed with COVID-19?
- In the last 14 days has the attendee had any of the following symptoms: fever, cough, and shortness of breath that is not explained by other health conditions?

I understand that if any one attending has answered yes to at least one of these questions or if their temperature prior to leaving for Youth Convention is 100 or above, they are not to attend.

I understand that if a student develops symptoms of COVID-19 while in attendance at Youth Convention, the entire group will be asked to leave at the discretion of NJYM Staff.

I understand that Fountain of Life requires the submission of an online waiver for each person in attendance for the Saturday morning sports time in the Life Center Building. I understand that parents must submit an online waiver for their student(s) before students are allowed to participate on Saturday morning. I will be prepared at check in to hand in a list of all in attendance for Fountain of Life to check that all waivers for the group have been submitted.
